Recipe for keeping cool — think about the snow-clogged roads, only six short months ago — on Feb. 21. Best authorities say that it's all in your mind, so forget the heat.

Norman Swavley, Gilbertville RD 1, would have felt better if he hadn't looked at the thermometer — 92 degrees of humid heat!

New Neutral Leader Favored in Greece; U. S. View a Guide

ATHENS, Aug. 26 (AP)—Premier-designate Constantinos Tsaldaris conferred for 45 minutes tonight with U. S. Ambassador Lincoln MacVeagh on the Greek government crisis and it was reported unofficially that the populist leader indicated he would step down in favor of a neutral premier but would not yield the post to liberal leader Themistokles Sophoulis.

MAN INJURED IN AUTO CRASH

Zieglerville Driver Loses Control of Car; 2 Other Accidents Occur in Area

Three collisions in the Pottstown area yesterday and last night resulted in the hospitalization of one man and caused damage to eight vehicles.

Eugene Hauch 34, of Zieglerville, was taken to Pottstown hospital by an unidentified motorist last night at 6:15 o'clock after his automobile plunged off Route 73 and struck a telephone pole.

Mauch suffered possible head injuries, a possible fracture of the jaw, a laceration of the lip and forehead bruising. X-rays today will determine the full extent of his injuries.

The accident occurred as Hauch

Service Clubs Favor Editorial's Proposal On Theater Levies

Two of Pottstown's service clubs supported a Mercury suggestion that a theater admission tax be used for playground purposes, at their meetings last night, while the president of a third promised that the matter would be taken up at the next meeting.

In an editorial last week, it was suggested that funds from a municipal theater ticket tax be placed in a separate fund, to be used only for playground purposes—to acquire play areas, purchase equipment, and pay supervisors.

Sixty members of the Kiwanis club voted unanimously to support the suggestion, and President Karl R. Stone appointed a committee which he said would co-operate with the other service clubs in this matter.

J. G. Ludwig is chairman of the committee, and serving with him are Leroy Krause, C. Raymond Eppelmer and Ear. B. Bechtel.

At a meeting of the Optimist club last night 13 members voted without dissent to authorize Secretary Harry E. Sowers to send a letter to Burgess William A. Griffith, supporting the use of theater tax admission funds for playground purposes.

William H. Walker, president of the Lion's club, said that the mat-

OPTIMISTIC NOTE MARKS RALLY OF REPUBLICANS

County Candidates See Fall Elections 'Warmup' For Presidential Race

By JACK BINDER (Mercury Staff Writer)

At a meeting last night of the Pottstown Republican club at Moose hall, 150 men and women greeted with enthusiasm the GOP candidates for Montgomery county offices.

Speakers stressed the need of more interest in politics and said the primaries and the general election of 1947 will be a "betting warmup" period for the presidential election in 1948.

The main speaker was J. Burnett Holland of Upper Merion township, who is president judge of the Orphan's court, and who is seeking reelection for his third ten-year term.

Judge Holland praised the Republican organization in the county and he declared that never since he has been on the bench has he been asked to grant special favors to that group. He said the importance of the judicial office and the fact that it must be conducted impartially, has been fully realized.

In speaking of the democracies of the United States and Great Britain he said they will ultimately lead the way to the entire world's adoption of their principles of government. He rapped the Fascist and Communist forms of government, saying the former leads to dictatorship and the latter to a one-party system.

He praised the spirit of leadership in politics as well as in other branches of endeavor and said political organizations realize that certain men are biologically endowed with the power of leadership. For that reason they are placed on

Heat, Again at 92, Sets Day's Record

Pottstonians yesterday were thinking that just because Old Sol is the oldest settler in the West, he needn't impress us of his capabilities by burning blisters in the East.

A high temperature reading of 92 degrees for the second consecutive day continued to keep Pottstown residents pausing occasionally to wring themselves out. The mercury's high mark equalled an all-time record for Aug. 26, moving into an even-up position with a 92 reading recorded back in 1900.

The lowest temperature for the date, incidentally, was 49 in 1942, only five years ago.

According to Charles S. Lung, Reading weatherman, there was good news last night for the heat-smitten public. A mass of cool air moving from the northwest was expected to cover the area early this morning, allowing relief from a four day heat-wave which began the past Saturday after a two-day cool intermission from a previous wave.

A stiff breeze, occurring suddenly about 5 p. m. yesterday sent the mercury on a downward path. Light rains, which followed later in the evening hammered away at the thermometers until temperatures skidded from 92 at 4:30 p. m. to 73 by 3 o'clock this morning.

One thorough industry, the Stanley G. Plagg company, Stowe, dismissed all workers at noon yesterday due to the heat. The plant also was shut down Monday, when the doors were closed at 1 p. m. At the Doehler-Jarvis plant, some workers were believed to have stayed home because of the heat.

Luckily, blanket vacations at the Spicer plant found all employees free from the grind, while at Bethlehem Steel, die-harsh kept working away despite the heat.

Precipitation last night was the first since Aug. 20, when a hard thunderstorm brought relief from another heat wave. A humidity reading of 80 percent yesterday did, by no means, aid the sweltering situation.

At Reading, yesterday's high of 94 set a new record that replaced the 92 high that had stood since 1900. A light rain in that section, however, sent the mercury down 10 degrees.

Today is scheduled to be partly cloudy with moderate temperatures, while tomorrow is to be considerably cloudy and slightly warmer.

"It was so rough," he declared, "that it rained me from the seat and put my head right through the canopy."

Successfully piloting his way through the rough weather, he continued on his way to Chicago. From Chicago to New York he flew through an area of limited visibility, which was the only other disturbing occurrence of the three day trip.

"I hadn't had much cross-country experience," Bogardus explained, "and although I wasn't lost at any

All in a Day's Work For Post Office Employee

To the rain, snow and gloom of night with which the mailman copes successfully, Pottstown's postoffice yesterday added another hazard—fire.

When the ignition system of a car belonging to Richard Smith, Hildale, which was parked on the east side of Union street next to the postoffice, burst into flames, the postoffice came to the rescue.

Leonard M. Moser, 65 Kink street, happened to glance through the window and noticed smoke issuing from the car. Seizing a fire extinguisher, he dashed into the street, put out the blaze and returned to work.

DEATH OF GIRL ATTRIBUTED TO BRAKES FAILURE

Both Drivers Exonerated At Inquest in Fatality On Layfield Road July 21

The failure of brakes, which had been checked and approved at a State inspection from three to six days before, was blamed yesterday for the collision at the intersection of the Layfield and Sassamansville roads which claimed the life of Margaret M. Batzel, 21, of Obelisk.

State Police Captain Vincent J. McGone, of the Collegeville sub-station, who investigated the accident, brought out this fact as he testified before a coroner's jury which exonerated both James L. Britton, East Greenville, and Milton S. Longacre, Pennsburg, of criminal negligence in Miss Batzel's death.

The accident in which the girl was killed occurred on July 21 at the intersection of the two roads in Hoffmansville, when a tractor-trailer truck driven by Britton collided with a sedan driven by Longacre in which Miss Batzel was a passenger.

McGone was the only witness to testify at the inquest into Miss Batzel's death which was held before Coroner Winslow J. Rushong in Norristown yesterday.

He said that he interviewed Longacre who was unable to appear at the inquest, and was told that Longacre was driving west on the Sassamansville road at about 30 miles an hour as he approached the intersection.

Longacre related, McGone declared, that he noticed the stop sign at the intersection but that when he applied his brakes, the pedal went completely to the floorboards and the vehicle failed to stop. According to the testimony the sedan had been approved at a State inspection three to six days

Wentzel Girl Dies Of Burns Received In Kerosene Blaze

Eleanor Wentzel, 6, of 575 Howard street, Stowe, died at 5:35 o'clock yesterday morning in Pottstown hospital from burns which she received Monday afternoon.

More than 75 percent of her skin was covered with first, second and third degree burns when her clothes burst into flame as she was attempting to light a can full of kerosene with which she was playing in a field behind her home.

Dr. R. K. Glocker, Royersford physician who attended the girl, said yesterday that doctors had little hope for her life.

"Only one person out of 20 survives when only 50 percent of the body is burned," Dr. Glocker explained, "and in this case between 75 and 80 percent of the skin had been burned."

Coroner Winslow J. Rushong, who was notified of the child's death listed it as accidental death due to burns and released the body to a funeral home at 258 Beech street.

The girl was accompanied by a friend, 8-year-old Barbara Oxendford, 569 Howard street, when the accident occurred.

When her clothing burst into flames she called for Barbara to put out the fire, but the panic-stricken youngster ran screaming for aid. Eleanor's brother Donald who went to her rescue was unable to roll his sister on the ground and tipped her flaming dress from her body with his hands.

The child was rushed to the hospital where she was treated by Drs. K. A. Boykiw and C. H. Swartz in the emergency ward. She lived only through the night and early morning despite the efforts of the physicians to save her life.

She is survived by her parents, Lawrence J. and Susan V. (Wargo)

PLANT, WORKERS PREPARE TRUCE

Officials to Sign Pact Today Setting Up Plans For NLRB Election

An agreement is expected to be signed this morning between the Automatic Electric Heater company, Cross and Klein streets, represented by Charles Beams, manager, and Lee E. Hoover, a representative of the United Construction Workers, an affiliate of the United Mine Workers.

If it is signed, it will provide for an election that should bring to an end a strike of 46 workers at the plant that began Aug. 20. Only shop workers were involved, the office force continuing at their jobs. The election will be sanctioned by the National Labor Relations board.

Hoover said that a verbal agreement between himself and Beams was reached Monday, and that after the signing of the agreement today, Burgess William A. Griffith will supervise an election at which the workers will have a chance to vote whether they wish to be represented by the union.

If there is a majority affirmative vote, the company will recognize the union as a bargaining agent for the plant shop workers, Hoover explained.

Burgess Griffith confirmed that he would act as election overseer, and that he left the date of the election up to Beams and Hoover.

The union official declared that the election would be held as soon as possible after the agreement was signed. He could not set an exact date for the end of the work stoppage.

School Bells to Ring Next Week For Youngsters in Pottstown Area

DEAR PARENTS:

It's time to bid farewell to Summer-time headaches with the kiddies, feel relieved that they survived the Summer all in one piece, give them last minute instructions, and hand them over to us. For next week the old school bell will clang for have they instilled a more modern warning? signaling the beginning of early to bed and early to rise, with only pleasant memories of swimming holes and ant-infested picnic.

It's been a long time since Junior has been under routine Mayoe a brief recruiting period on the do's and don'ts of the schoolroom would be a good idea. So farewell to a lackadaisical Summer and good luck in the trying months ahead. Well try to do our best, too.

—Hopeful Teachers

Yes, that's the story. Into Pottstown's and vicinity's public and rural schools next week will march an army of youngsters, willing to learn, yet just as anxious to befuddle teachers and smear the clean corridors with dirty fingerprints. Labor Day will be over, and their work will just be beginning.

Modernized equipment, refurbished desks and auditoriums, a broader curriculum, and specialized driving programs will lay the foundation for hopes of a bigger and better school year.

Enrol Here Wednesday

Pottstown's public schools will open Wednesday, when pupils will be assigned to classes and new pupils enrolled. For the rest of the week there will be half-day sessions. Pupils entering for the first time will not report until Thursday, Sept. 4. Superintendent of Schools Frank M. Hauston announced.

Principals of elementary and junior high schools will hold faculty meetings immediately after dismissal time the first day of school. A joint teachers meeting will be held Wednesday at 2 p. m. in the Senior high school auditorium, with the superintendent presiding.

Hauston announced that practically all supplies and text books are on hand and all school buildings have been thoroughly cleaned. A new English course adopted in elementary schools and in the seventh and eighth grades last year, will just be beginning.

DELEGATES OKAY ZONE DEFENSE IN HEMISPHERE

19 American Republics
To Fight Aggressors;
U. S. Plan Approved

QUITANDINHA, Brazil, Aug. 26 (P)—Nineteen American republics agreed today to fight jointly against any armed aggression occurring in a Western Hemisphere "security region" extending from the Arctic to the Antarctic.

The proposal, sponsored by the United States, was accepted unanimously by the delegates to the full inter-American conference committee on aggression and enforcement measures after a 14-nation subcommittee approved it earlier.

The only nations not voting on the agreement were Nicaragua, which was not invited to the conference, and Ecuador, whose conference status now is in doubt because of the weekend coup d'etat which resulted in a change of government.

Demarcation of a security region is considered one of the most important points of the inter-American defense treaty which the conference now is drafting. Early agreement on this and other controversial points caused delegates to predict that the conference committee work would be finished by the end of this week and that the conference would end not later than Sept. 2.

Under the agreement, the American nations will rise to immediate defense of the hemisphere if any attack occurs within the security region, which includes Alaska and Greenland.

The vast "security region" would embrace the North American and South American continents, Canada, Greenland, Alaska, the Falkland Islands, South Orkney Islands, the South Polar region (Antarctica), the Sandwich and South Georgia Islands of the Antarctic and a 300-mile sea belt encircling both continents and taking in strategic island possessions of the American nations.

The region referred to includes the geographical area defined in the Panama Declaration of Oct. 3, 1939, when the American nations met and proclaimed a broad safety zone in American waters for inter-American shipping, and made a general declaration of neutrality in the European war.

Pilot Fined, Jailed For Topsy Flying

DETROIT, Aug. 26 (P)—Stanley Vrayovich, 26, charged with reckless flying and operating an airplane while intoxicated, was fined \$100 and sentenced to 90 days in jail today by Recorder's Judge John P. Scallien.

Vrayovich was arrested Aug. 10 and accused of zig-zagging and endangering property at the city airport in a light private plane. Police said he admitted consuming 12 beers.

Medical Expert Claims Overell Killed by Blast

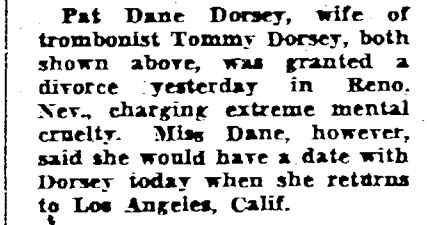

By FRANK FRAWLEY
SANTA ANA, Calif., Aug. 26 (P)—Financier Walter E. Overell was alive when a dynamite charge blasted his trim cabin cruiser in Newport Harbor the night of March 15, a defense pathologist testified today.

Upon his testimony and that of other witnesses, two young college sweethearts base their contention that they could not be guilty of slaying Overell and his wife, Beulah, because it already has been established that they were ashore buying hamburgers at the time of the explosion.

The pathologist's testimony was the first effort of the defense of Louise Overell, 18-year-old heiress daughter of the dead couple, and her 21-year-old lover, George (Bud) Gollum, to offset weeks of prosecution testimony attempting to link them with the double deaths.

The witness was Dr. A. F. Brown of Los Angeles, a staff physician of several southern California hospitals. He said he based his opinion on "the presence of a great many polynuclear pus cells in the region of the right hip." This, he added, "Means only that the victim was alive at the time of the injury to his hip. If the body had been dead for some time, it would have been impossible for so many of the cells to be in existence."

NLRB Turns Down Union Effort To Replace Non-Red Affidavits

WASHINGTON, Aug. 26 (P)—The National Labor Relations board today spurned a union effort to throw out the type of non-Communist affidavit which it requires of all union officers under the Taft-Hartley act.

President George Q. Lynch of the AFL Pattern Makers league charged the Government's form of affidavit follows "a totalitarian technique" and offered a substitute of his own which condemned all forms of dictatorship.

The board rejected Lynch's idea and sent him a new supply of its own for himself and the officers of his 14,000 super-skilled pattern makers.

The affidavits declare the signers are not Communists and do not advocate overthrow of the Government by illegal methods. They are required of all officers of a union in order for it to share in the board's services.

Lynch declared the plan would put his pattern makers "under a cloud." This would come about, he contended, through a ruling by Robert N. Denham, NLRB general counsel, that all 15 members of the AFL executive council must sign. Otherwise the unions under them would not be entitled to the board's facilities.

"It is rumored that a John L. Lewis, 13th vice president of the AFL, refuses to sign the Communist disclaimer and that his union has withdrawn cases previously filed in regional offices of the NLRB," Lynch said in a letter to Denham. Lewis is a member of the AFL council.

State Lawyers Debate Community Property Law

HARRISBURG, Aug. 26 (P)—Pennsylvania's much-debated community property law, designed to save married Pennsylvanians \$100,000,000 a year in Federal income taxes, becomes effective Sept. 1 with lawyers still debating its effect on existing laws.

The new law, enacted in the closing days of the 1947 General assembly and signed by Gov. James H. Duff will allow husbands and wives to divide their income for Federal tax purposes.

In addition, however, the new law sets up new legal practices for dividing the property of married couples in the event of divorce or death as well as maintenance in case of separation or incapacity of a spouse.

Communists Whp Minority Leader In Hungary Town

BUDAPEST, Hungary, Aug. 26 (P)—The independence party declared in a statement today that its leader, Zoltan Pfeiffer, chief anti-Communist politician remaining in Hungary, was "half dead" from a beating administered by "Communist hoodlums" at Csongrad.

The statement said three other independence party members were so severely handled yesterday when Pfeiffer tried to hold a political meeting at Csongrad, 75 miles southeast of Budapest, that they had to be carried away in ambulances.

The United States legation issued a statement saying it viewed "with serious concern" developments concerning freedom of speech and assembly.

The legation statement was made after a representative of the ministry of information told a news conference "I must refute" the account of Pfeiffer's beating.

An American doctor, Lt. Col. Harry C. MacClain, was told by an intermediary that he could not examine Pfeiffer, and that even a Hungarian civilian doctor would not be allowed to see him.

Pfeiffer was being attended by a police surgeon. Pfeiffer's friends had asked MacClain to make an examination after they had quoted the police surgeon as saying the political chief was unconscious because his wife had given him "too much medicine."

Pfeiffer's friends said about 300 persons broke up a meeting of 5000 persons he tried to address at Szentes, near Csongrad, by throwing eggs, vegetables, yellow paint and bricks. A Budapest newspaperman was hit by a cantaloupe and has not yet regained his hearing.

The party then went on to Csongrad where they were refused use of a hotel balcony because the hotel manager was frightened by about 300 people who had been brought to Csongrad that noon by leaders of the Communist party in Szentes," the statement said.

U. N. Orders Second Truce For Dutch, Indonesia Forces

LAKE SUCCESS, Aug. 26 (P)—The Security council ordered The Netherlands and the Indonesian republic again today to cease fire in Indonesia and clear the way for settling their dispute.

The Indonesians promptly said this was a "good thing." The Dutch said the cease-fire order could not be observed if the republic continued to "incite the Indonesians to murder the Dutch and burn houses."

It was, in effect, the second cease fire directive handed down by the United Nations in 26 days. It was approved by 10 nations, with Britain abstaining.

Britain also abstained on the original cease fire resolution Aug. 1 but at that time was joined by France and Belgium in refusing to vote. France and Belgium, both colonial powers, voted for the new cease-fire order.

The action ended the first phase of the Indonesian case here. The delegates set it aside temporarily to see how well the consular observer team it had approved yesterday would supervise a truce.

The council refused to approve a Belgian demand that it go to the International Court of Justice for a ruling whether it has jurisdiction in the Indonesian conflict.

The vote here found the United States, Belgium, France and Britain for it; Poland against it, and the others, Russia, China, Colombia, Brazil, Syria, and Australia, abstaining.

The situation now is this, briefly: Australia and India lodged the Indonesian case with the council July 30 with demands for urgent action.

The council on Aug. 1 approved a resolution ordering the parties to stop fighting and settle their differences by negotiation.

On Aug. 4 the cease fire order was given by both sides.

Since then, however, fighting has broken out from both sides and Poland's delegate Julius Katz - Suchy charged today that a "full-scale war" is under way on Java.

The council approved yesterday a resolution calling on the career consuls of six council nations stationed now in Batavia to check on

Reds Reject Parley On Petkov Issue

LONDON, Aug. 26 (P)—Russia has rejected a British-American request for consultations on the death sentence of Nikola Petkov, top Bulgarian anti-Communist leader, on the grounds it would constitute "interference" in Bulgaria's internal affairs, the foreign office said today.

In Sofia a bill was passed by parliament dissolving the opposition Agrarian party headed by Petkov and the ousting of the 64 Agrarian party deputies chosen in the last elections.

Russia's reply to the British-American efforts in behalf of Petkov, who was sentenced to death Aug. 15 on charges of plotting against the government, was made known in a note from Soviet Deputy Foreign Minister Andrei Vishinsky delivered to the British charge d'affaires in Moscow.

Anderson May Head Democrat Committee

WASHINGTON, Aug. 26 (P)—Senator Hatch (D-NM) said today he is confident that Secretary of Agriculture Anderson will take the chairmanship of the Democratic national committee if he is asked to do so.

"I am certain that like the good soldier he is, Secretary Anderson will take the job and resign his cabinet place," Hatch told a reporter.

ACCIDENTS —
(Continued From Page One)
was returning home from his work at the Frederick Lumber company on North Hanover street. It is believed that he lost control of the vehicle, either from a blowout or a broken spring. He was a short distance from his residence at the time of the crash.
Collegeville State police investigated.
A hit-and-run collision near the Green Gables Inn on the Philadelphia pike occurred shortly after 8 o'clock last night when a car driven by Mark Ledrach, Pottstown RD 4, crashed into a truck operated by Joseph Leibe, of Philadelphia.
Ledrach was later apprehended at Collegeville police and taken to the Montgomery county prison to await a hearing. State police said that he was out on bail for drunken driving at the time of last night's incident. There were no injuries.
In the borough limits, two other automobiles came together in what was deemed a hit-and-run case on the part of Carroll P. Underwood, of Norristown.
Police said Underwood was traveling east at the High and Kern streets intersection when he cut across the highway and struck a vehicle operated by Sebastian J. Bartchak, 621 Walnut street, which was moving west on High street. The doors on Bartchak's car were damaged, but no one was hurt. Bartchak's wife and three children were with him at the time.
The Norristown man then drove east on High to Price, where he made a right hand turn and continued part of a block before stopping.
Charles E. Reichert, of Reading, was going west on High behind Bartchak. He witnessed the accident, turned around, and followed Underwood until the latter pulled to a halt.
The two returned to the scene where Underwood said he would pay for damages.
Motor Patrolman Earl Rhoads and Sgt. Daniel J. Linton investigated the collision. They had been in a police car only a block away when they were notified by radio. They arrived at the scene seconds after it took place.
Underwood was locked up in borough hall for the night, pending a hearing before Justice of Peace Richard C. Kelley at 7 o'clock tonight.
Underwood was charged with failure to stop and render assistance at the scene of the accident, and failure to identify himself at the scene of the accident.

ter was scheduled for last night's session, but that he wanted to give Dr. Rajan B. Manikam, executive secretary of the National Christian Council of India, Burma and Ceylon as much time as he needed for his talk.
At next week's meeting, Walker said, the matter of the club's support for the proposal would be brought up for discussion.
It was announced that the Inter-Service club of Pottstown, at its meeting on Sept. 26, would receive the topic for discussion.
At the Optimists' business meeting, the subject of a municipal ordinance to regulate bicycle riding was brought up.
"Every measure that the club can take in building up public support for this ordinance will be taken," Sowers said last night, speaking for the group as a whole.
He emphasized that the proposed ordinance, which would license all bicycles, enforce mechanical standards, and require cyclists to observe traffic rules, was for safety purposes, and that it was not designed to punish Pottstown's young bicycle owners.
In other Optimist business topics, the committee working on the airplane meet at the Daniel Boone Homestead, Baumtown, Sept. 14, reported progress on its work with the Model Airplane club, which is co-operating in the contest.

"Men should never be too big to enter politics," said F. Arnold Forrester, of Conshohocken, candidate for district attorney.
He praised the GOP county organization but also stressed the need of ward political work. Forrester praised Judge Harold G. Knight, who is a candidate for re-election to the Court of Common Pleas. Judge Knight was the only county candidate not present last night.
A special appeal to women workers and voters was made by Mrs. Mary Beemer, of Norristown, a candidate for re-election as register of wills.

400,000 left feet . . . left without a thing to do! Because Hydra-Matic Drive eliminates the clutch pedal and all clutch pushing. 400,000 right hands . . . on the steering wheel where they belong! Because Hydra-Matic Drive shifts gears automatically—makes manual shifting a thing of the past!

That's the story of convincing proof that lies behind the GM Hydra-Matic Drive of today. Oldsmobile first introduced this revolutionary advancement almost 8 years ago! And since then, nearly 400,000 owners of Hydra-Matic Oldsmobiles have found a new freedom in driving—new ease, new safety, new pick-up and pep and performance! These owners have driven literally billions of miles—without ever shifting, or pushing a clutch.

After these 8 years, Hydra-Matic Drive is still the only "drive" that eliminates the clutch pedal and shifts gears automatically through four forward speeds. The lowest-priced car to offer GM Hydra-Matic Drive* is the smart new Oldsmobile. It's ahead in performance—automatically. Ahead in appearance—dramatically. That's why people say—**emphatically . . . SCHOOL BELLS —

(Continued From Page One)

will be extended into the Ninth grade this term.

The Junior High school has been painted, and new fire escapes erected at the Washington building. The Senior High school auditorium, which had been closed because of faulty plastering, has been repaired and the building has been painted.

New Boyertown Teachers

Boyertown school district, incorporating Boyertown, Washington, and Lincoln schools, will open Wednesday, preceded by the local teachers' institute at Southern Junior High school, Reading, tomorrow and Friday.

Changes in the teaching lineup include Mrs. Laura H. Shade, replacing Mrs. Anna E. Carver, Washington elementary school teacher; and Bertha Grady, replacing Ruth E. Brown, first grade teacher.

In an attempt to correlate its visual education work, Daniel Rohrbach of the science department has been working steadily gathering and filing motion pictures, slides and strip films for educational lecture programs. Sound projectors have been installed in the three buildings. The high school Athletic association, sponsored by the students, has invested \$825 for athletic equipment.

Half-Day Sessions

Teachers only will start Tuesday at 9 a. m. in the West Pottsgrove school district, with students reporting Wednesday at 8:30 a. m. for the first of a week of half-day sessions. New students will register tomorrow from 9 a. m. to 4 p. m. at the school buildings.

Although there will be few changes in the curriculum, several new teachers have been appointed. Miss Evelyn Thompson, a Pennsylvania State college graduate, will replace Miss Mary Ellen Jurgens as home economics teacher. Miss Thompson, who has been from Emburyville, has had three years' experience teaching at Lehigh.

William Guy Owens, physical education and science teacher, will be replaced by William Gohman, a graduate of West Chester State Teachers college. His home is in Phoenixville. New science and social studies instructor will be Mr. Charles Wagner, a graduate of Bloomsburg State Teachers college and resident of Wyomissing, who will fill the vacancy caused by the resignation of William Vandergrift, while math teacher, William Nunan will be replaced by Robert Sienker, Rock Haven, Pa.

Filling the vacancy of art supervisor at the West Pottsgrove school will be John Hagedorn of Philadelphia, a graduate of Temple university, taking the place of Ray P. Preston.

Enrollment Increases

Spring City schools will open Tuesday, and Wednesday with a slightly higher enrollment than last year, with 482 students enrolled in the junior and senior high schools, and 361 in kindergarten and elementary schools.

Members of Grade 9 of the junior high and 1 to 6, inclusive, of the elementary schools will report Wednesday, while Grades 8, 10, 11, and 12 will report Thursday.

A meeting of all teachers will be held Tuesday, at 10 a. m., and at 1:30 p. m. the high school and elementary school teachers will meet in separate sessions, in charge of Charles H. Wise and Miss Ruth Dubson.

Two vacancies of a commercial teacher and a school nurse have not yet been filled at the Spring City schools.

One Vacancy at Royersford

All kindergarten and grade school pupils will report Tuesday in the Royersford schools, while 7th grade tuition pupils will report Wednesday. General school opening for all students is scheduled for Wednesday. One vacancy still remains in the high school for a guidance and history instructor.

Lower Pottsgrove school, with an approximate enrollment of 255, will convene Wednesday. Teachers will meet for a reorganization conference Tuesday. Seventh and eighth grade children who will attend Pottstown Junior High school this fall will be transported by the Lower Pottsgrove bus as far as the local school, and will then be transferred to a bus that will take them directly to the Junior High school.

Bus Schedule Listed

The following bus schedules will be in operation Wednesday:

Route 1: The first run will leave the garage for Kew street, making its first stop at Kew street at 7:17 a. m., returning to school along its former route, arriving at school at 7:25 a. m.

The second run will leave the school, making its first stop at Center school at 7:32 a. m., travel its former route and return to school at 7:59 a. m.

The third run will be made down Benjamin Franklin highway, stopping at Hoffmann's residence at 7:57 a. m., travel its former route and return to school at 8:10 a. m.

Borneman's first run leaves the garage, travels back State road, making its first stop at Eschbach's residence at 7:20 a. m., traveling back Pruss Hill road to Landis's residence, covering its former route out Sanatoga road to Huff's residence, then up Benjamin Franklin highway, stopping at Sunnybrook road at 7:32 a. m., returning along its former route, arriving at school at 7:40 a. m.

Borneman's second run leaves school for Hilldale only, arriving at Hilldale at 7:45 a. m. returning to school at 8 a. m.

Seventh and eighth grade pupils will then board Borneman's bus at Lower Pottsgrove school and will be taken to Junior High school in Pottstown. The Lower Pottsgrove bus will leave Junior High school at 7:05 a. m., daily to return to Lower Pottsgrove school.

Cafeteria service will be resumed at the school this year with the opening of school.

New Cafeteria Ready

Raymond Prezer, superintendent of the South Coventry school district, announced that things are in top condition for the opening of school Tuesday, with a new cafeteria serving hot lunches. The school has been re-decorated, painted and the desks varnished. No new teachers have been added to the staff, although Mrs. Ellen Sandt is now on an extended vacation.

Grades 1 to 9 of the Warwick school district will report for a half-day session Wednesday, with Grades 10, 11, and 12 reporting Thursday. New teachers include Miss Miriam L. Halliwell, Malvern, music supervisor; Louis C. Pirnik, East Greenville, baseball and basketball coach

and history instructor, and Mrs. Florence Grossman, Morganstown, intermediate teacher. There has been no change in the bus routes.

Among the teachers who enjoyed vacations this summer were Mrs. Nora Ores, who went on an extensive trip through Canada; and Miss Irma Laggett, mathematics teacher, who toured Niagara Falls.

Bally Opens Tuesday

No changes in curriculum have been planned in the Bally school, with Miss Virginia Gunther and Mrs. Pauline Cole teaching Grades 5 to 8 inclusive, and Mrs. George Romig, 1 to 4. School opens Tuesday with a full day of classes.

New science courses will be developed in the first four grades of the Upper Pottsgrove school district, together with additional reading courses in grades 1 and 2. A number of new textbooks have been added throughout all grades. A teachers' meeting is scheduled for Tuesday with classes meeting in full session Wednesday.

The Bechtelsville borough school opens Tuesday. There are no vacancies in the teaching staff, and together with the purchase of many new textbooks, additional reading and arithmetic programs will be introduced into the curriculum.

Half-Day Sessions

The Schwenksville Consolidated school opens Tuesday, with half-day sessions the remainder of next week.

The New Hanover township school district, where schools will open Wednesday, will furnish transportation for the children who formerly attended Deep Creek, Pleasant Run, Hauck's and Swamp Creek schools. The school board also will transport all township pupils who attend the Boyertown High school.

All children formerly assigned to Deep Creek school are assigned to Freed's school for 1947-48, those in the Pleasant Run area are assigned to Weand's and Hoffmann's; those who attended Hauck's will go to Layfield; and the Swamp Creek pupils are assigned to Knause's school.

Bus Route Arranged

The bus will use the following schedule:

Deep Creek school, starting, 7:25 a. m., returning, 4:45 p. m.; Freed's school, starting, 7:40 a. m.; returning, 4:30 p. m.; Pleasant Run school, starting, 7:42 a. m.; returning, 4:28 p. m.; Anise (Hauck's), starting, 7:54 a. m., returning, 4:15 p. m.; Weand's school, starting, 7:37 a. m., returning, 4:12 p. m.

Hoffmann's school, starting, 8:02 a. m., returning, 4:06 p. m.; Layfield, starting, 8:08 a. m., returning, 4:02 p. m.; Swamp Creek, starting, 8:17 a. m., returning, 3:53 p. m.; Knause's school, 8:27 a. m., returning, 3:43 p. m.; Boyertown High school, starting, 8:40 a. m., returning, 3:30 p. m.

Monocacy elementary school will open Tuesday, with half-day sessions until Sept. 8, when full-day sessions will be held. At this time, the new school cafeteria will be opened. The teaching staff remains the same.

Birdsboro Schedule Set

Birdsboro schools have scheduled their opening for Tuesday with full-day sessions starting Wednesday. A faculty meeting has been called for 1:15 p. m. Tuesday by Assistant Superintendent Miss Cora Hardwick.

A change in the lineup of teachers in the high school includes Robert Illig, industrial arts; Charles Fenstermacher, chemistry and physics; Robert Weiler, physical education and football and basketball coach; Mary Kinler, commercial; and school, Kaufman, English. Mrs. John Bradley will teach the fourth grade in the Lincoln elementary school.

Limerick township school district, including Limerick and Linfield schools, will open Tuesday with a half-day session. The only change in classes will take place in the one-room buildings in the rural area. Instead of the former six one-room buildings, there will be only four this semester with each teacher instructing two grades.

The following schedule has been announced: Grades 1 and 2, Medinger school; grades 3 and 4, Fairview school; grades 5 and 6, Steinmetz school; and Grades 7 and 8, Barlow school.

Thomas J. Griffith announced the following bus schedule for that area:

BUS ROUTE 1—Fernwood school, 8:20 a. m.; Lewis Road and Royersford road, 8:23; Lewis Road and King road, 8:25; Barlow school, 8:28; Lewis road and Linfield road, 8:30; Swamp Pike and Houck road, 8:39; Fruitville school, 8:41.

BUS ROUTE 2—Limerick road and Cemetery road, 8:20; Fairview school, 8:23; Limerick road and Sun-

Texas State Teacher's college, will teach in place of Miss Margaret Kane who resigned during the past school year.

In the high school Neal R. Burtner, a graduate of Pennsylvania State college, will teach agriculture, replacing Harvey M. Painter who has returned to college to resume his studies. Mrs. Jennie C. Saragano, a graduate of Drexel Institute of Technology, will fill the commercial position vacated by the resignation of Miss Lillian Baer.

Miss Doris E. Lynch, a graduate of State Teachers college of West Chester, will become health and physical education director for the girls and will coach all girls sports. She is taking the place of Evelyn A. Wever, who resigned to accept a teaching position at Shillington.

William J. Paolantonio, a graduate of Elon college, North Carolina, will teach social studies and coach football. He will replace Raymond M. Gough who accepted an administrative position in the schools at Everglades, Fla.

Sea Scouts Pay Visit To Port Indian Crew

A weekly session of the Sea Scout ship Buccaneer was featured last night by a visit to Port Indian, near Norristown, where the local members mingled with scouts of the Ship Penguin in inter-crew contests and boating.

William Glenney, skipper, plans to take the crew to Centerton, N.J., this weekend where the boys will engage in activities at a Sea Scout base there.

Vacationing

With Mercury Readers

By The VACATION EDITOR of The Mercury Staff

If you're going to the shore this coming three-day weekend, keep your eyes open for the unusual sights that are typical of a crowded beach. At Atlantic City you can witness spectacles without wearing them, in a double sense of the word.

Where else could you see a bathing beauty, about 70 years old, with a two-piece, powder blue, anazay swim suit... long, frosty gray hair with a matching blue ribbon crossing the top of her head... painted toe nails and varicose veins.

Where else could you see the boys wearing trunks perilously low on their hips, looking like one-year-olds losing their diapers. And the trunks themselves—heaven forbid—look like cleaning cloths from a paint factory... some with gaudy prints on them, polka dots, palm trees, and of course, some plain, conservative bright red ones.

Where else can you see the women wearing furs in the summertime... replace with night-gown length dresses and black stockings.

Oh well! What we see these days is better than what we find in our family albums—but not much better.

Mrs. William Ecker, 217 North Charlotte street, is spending some time in her old "home town" at Colorado Springs, Colo. "More beautiful than ever. The weather is perfect. Truly the garden spot of the world." Her card shows the Will Rogers Shrine of the sun on Cheyenne mountains along the Broadmoor-Cheyenne highway.

Showing Eden Park Conservatory, Cincinnati, Ohio

Eden Park Conservatory, Cincinnati, Ohio, is this card sent by

Mr. and Mrs. Edward Slaby, of Stowe, "Spending a few days here in Cincinnati before going on to our destination in Illinois. Really enjoying ourselves."

Pictured here are the sand dunes at Long Beach Island, N. J. The card was sent by Mr. and Mrs. Francis Rapp, and sons, Dennis and

Francis Jr., of Bortown, and Mr. and Mrs. William Dotterer, of Bechtelsville. "Spent the day with Mr. and Mrs. John Whittan of Beach Haven. The ocean is grand."

Mr. and Mrs. Edgar Ahlum, of Linfield, "are enjoying our vacation touring the state of Maine."

Oh well! What we see these days is better than what we find in our family albums—but not much better.

Will Rogers Shrine, Colorado

Shown on their picture postcard is Memorial bridge, over Passagawaukeag river, Belfast, Me.

"We are having a fine time down here. The water is fine and the sun is plenty hot." So said Viola and Arnold Latshaw, and sons, Ray and Junior, of New Hanover. Pic-

tured on their card is the Fountain of Light, before the Hotel Claridge in Atlantic City.

Mr. and Mrs. Donnel Shaffer returned recently from a weekend trip to New York, where they visited many places of interest including the Cathedral of St. John the Divine. "The trip was a coast to coast bus tour for Mrs. Shaffer." She left Reading June 18, taking a southern route to Los Angeles. From there she visited San Francisco, then took a northern route back to Reading. She flew from Philadelphia to New York on an airliner the past Friday. Mrs. Shaffer described the tour as "a wonderful experience." The Shaffers reside at 170 North Charlotte street.

"This is one of the more interesting towns I've seen while working my way out to California," said Robert S. Comperthwaite Jr., of 743 King street, on his postcard

showing a statue of General Anthony Wayne at Fort Wayne, Ind.

Poster Ordered Held For Grand Jury In 'Brawl' Death

Lewis J. Poster, 34, a native of Pottstown, now of New York City, was ordered held for action of the grand jury by a coroner's jury in Norristown yesterday after it heard circumstances surrounding the death of William D. Henderson, 46, of Douglassville RD 1, on July 3.

Poster, who already has been held for court by Magistrate William Rickert, Stowe, and who is under \$3000 bail, attended the inquest but did not testify on advice of his attorney, John H. Longaker.

State Police Captain Donald Beacraft, of the Collegeville sub-station, was the only witness.

He testified that an investigation disclosed that Poster and Henderson were involved in a "barrage brawl" in the Bram-cote hotel, Stowe, on the afternoon of July 3. He further testified that Poster struck Henderson during the course of the argument and that Henderson fell, hitting his head against a cement paving.

Henderson was rendered unconscious. He revived for a while and was placed in his truck which was parked in the hotel parking lot. Two hours later, when it was noted that he was still unconscious, he was taken to Pottstown hospital where he was pronounced dead. His skull was fractured at the base.

Brotherhood Hears Vacation Accounts

The Brotherhood of Zion's Re-formed church met last night at the Summer home of the pastor, the Rev. Howard A. Kosman, near Greshville, with 30 in attendance. Roast corn, hamburgers, etc., were served early in the evening.

Following the meal, a meeting was held with President Stanley Emery in charge. Harold Scheffey read the Scriptures, and Willis Bridgman offered prayer.

Several members then gave accounts of their Summer vacation trips, as follows: Willis Bridgman, trip to Niagara Falls; Billie Bridgman, to Grand Canyon of Pennsylvania; Clyde Roshon to Wildwood; Henry Maurer, fishing trip at Indian river; Rev. Kosman, Niagara Falls trip; Nicholas Wilhelm, tuna fishing at Brielle, N. J., and Howard Horrocks, a fishing trip.

The refreshment committee included Clyde Roshon, Harold Scheffey, Herbert Gable and Harold and Raymond Bartman.

before the accident at a garage in Giletsville.

Because of this, Longacre told McGlone, he decided to continue straight across the intersection instead of turning right to go to Pennsburg.

At the same time, the tractor-trailer operated by Britton was traveling south on Layfield road, descending an incline as it neared the intersection.

Britton told McGlone that he saw the car emerge from the intersection. He attempted to swerve the huge truck but struck the right front end of the car, tearing the motor out of the vehicle and hurling the sedan down the road where it overturned.

The tractor-trailer jack-knifed, overturned as it left the right side of the roadway, and plunged into a garage belonging to Edward Miller, Hoffmansville, causing it to collapse. It damaged a car belonging to Miller which was inside.

Britton attended the hearing yesterday but did not take the stand.

Miss Batzel was pronounced dead at the scene of the accident by Dr. H. W. Scholl, East Greenville physician.

OREGON PILOT —

(Continued From Page One)

time, it was not very comfortable to be unable to see far ahead.

During the trip, Bogardus stopped three times each day, twice for refueling and at night to sleep. He averaged nine hours of flying time a day.

The plane in which he made his trip was built in a year of spare time out of \$500 worth of materials. A low-wing monoplane of his own design, the ship is constructed of a tubular steel fuselage and wooden wings, both of which are covered with fabric.

With a wing span of 29 feet, eight inches and a 65 horsepower engine, the plane has a cruising speed of 100 miles an hour and a range of 300 miles.

Bogardus built the plane before the war, but put it in storage to take up a position as supervisor of maintenance at an Army primary flight training school.

The long flight to the East is serving a three-fold purpose for the 32-year-old pilot. He is contacting as many members of his association as possible, has conferred with engineers of the Civil Aeronautics authority about his plane, and his acquired test data redesigning it and possibly of putting it into production.

After landing at the Stowe field, Bogardus described the site as "very good."

It should have good drainage and that is something that many fields do not have. On many fields out West, the water lays on top of a layer of clay and will not run off. In addition, the field has good visibility and an excellent approach.

Bogardus said he would fly his plane back to the West coast after his work in the East is completed.

"I plan to take more time for the return trip," he said, "I want to make a zig-zag trip to visit as many members of the association as I can. When I get to Kansas City, I expect to straighten out and fly directly to my home."

Sophoulis insisted he was the only political leader capable of leading Greece out of its present crisis, which is heightened by the prolonged warfare in the north conducted by leftist Guerilla bands against the Greek army and government.

Tsaladaris, head of the majority Populist (Royalist) party which has 40 percent of the parliamentary votes, offered Sophoulis the presidency of the ministerial council and "equality" in cabinet appointments. He suggested also the appointment of a neutral prime minister.

collece, was appointed health and physical education director at a special meeting of the school board Monday night. Bruno will take over the work of Victor O. Williams, who resigned to accept a teaching position near Erie. Bruno will be assistant football coach, and head basketball and baseball coach.

One of the new courses to be offered in the high school this year will be the driver training course. The instructor in this course will be Alvin S. Albrecht, who attended a driver training teachers school in Philadelphia to become properly certified to teach. Not only will the pupils receive classroom instructions, but they will actually receive instruction in driving on the highway.

School to Get Auto

North Coventry will receive a dual control automobile sometime during the beginning of January which will be used as part of the course, offered to pupils of the 11th grade.

Due to the unequal distribution of the pupil population in certain of the elementary schools in the township, it will be necessary to make certain adjustments. Pupils scheduled for the Fourth grade, Pottstown Landing, will report to the South Pottstown building. All boys scheduled for Fifth grade, Kenilworth, will report to the South Pottstown building. These changes are necessary because of overcrowded conditions in the outlying schools.

At a special meeting of the North Coventry school board held recently, Melvin A. Guest Sr., proprietor of Ramble Inn, Pottstown RD 2, was awarded a contract to transport the township schoolchildren, it was announced last night by Paul H. Grimm, supervising principal.

Iranians to Study Russian Oil Pact

TEHRAN, Iran, Aug. 26 (P)—The Iranian parliament was ready today to take up the controversial Soviet oil agreement as Iranian and diplomatic officials reported that "10,000 Barzani Kurdish tribesmen, backed by the Red army," were assembled in Soviet Azerbaijan on the northernmost frontier.

"This may be another move in a Soviet war of nerves on the eve of parliament's consideration of the Russo-Iranian oil agreement," said one high diplomatic source.

The oil agreement, signed by Prime Minister Ahmed Qavam in April, 1946, while Soviet troops still were occupying northern Iran, granted Russia oil concessions in five northern provinces with Russia receiving 51 percent of the shares for the first 25 years.

The oil agreement already is the No. 1 center of a political and diplomatic battle and many members of parliament have expressed the opinion it will be defeated. Other items on parliament's formidable agenda include a proposed \$250,000,000 international bank loan and a \$30,000,000 American military credit.

WILL YOU COME BACK?

Think—as you start on your Labor Day holidays Is this the last time you will see your home?

Is it? Experts predict 300 people will lose their lives in traffic accidents in the United States on Labor Day weekend.

The experts were correct this past July 4th—275 people who started out for a happy holiday never came home alive. Additional thousands were injured. Violence was as far from their minds as it is from yours—now.

We can lick this needless and sudden death—if you realize that a few minutes gained by speeding isn't worth the chance of losing your life.

Training Program For American Youth Backed by Legion

NEW YORK, Aug. 26 (P)—Plans for an all-out American Legion drive for enactment of universal military training took shape today at meetings of several of the organization's committees preceding the 29th annual convention.

The national defense committee, headed by S. Perry Brown of Beaumont, Tex., indicated strong support of a bill introduced in Congress by Rep. Robert Towne (R-N.J.) providing for a six-month basic training period for all American youths.

The bill was reported favorably by the House armed services committee but made no further progress in the recent session.

Meanwhile, blue Legion uniforms and multi-colored caps made their appearance among New York's crowds in ever-increasing numbers as the opening of the big convulse neared. The first session of the four-day convention will be Thursday.

Some of the Legionnaires, equipped with huge water pistols, got in a little pre-convention marksmanship practice in front of the Hotel Pennsylvania, convention headquarters. Most of their targets were attractive girls and quite a few hits were registered on bare legs.

Also in front of the Pennsylvania was a machine camouflaged as a World War I French locomotive, driven here in 10 days from Phoenix, Ariz., to take part in the 40 and 8 parade Thursday night. John Stanowich and Robert Womach, Arizona Legionnaires, manned the vehicle.

Paul H. Griffith of Uniontown, Pa., Legion national commander, has urged an immediate special congressional session to enact a universal military training law. His stand has drawn support from most of the leading candidates to succeed him in the high Legion job.

Legion officials, however, agree prospects for a special session are slim.

Robert C. Goodwin, director of the U. S. employment service, told the Legion's national employment committee that 12,000,000 World War II veterans now find jobs, indicating "94 out of every 100 veterans in the labor market are employed."

WILL YOU COME BACK?

Think—as you start on your Labor Day holidays Is this the last time you will see your home?

Is it? Experts predict 300 people will lose their lives in traffic accidents in the United States on Labor Day weekend.

The experts were correct this past July 4th—275 people who started out for a happy holiday never came home alive. Additional thousands were injured. Violence was as far from their minds as it is from yours—now.

We can lick this needless and sudden death—if you realize that a few minutes gained by speeding isn't worth the chance of losing your life.

life. If you obey the rules of the road—and don't pass on hills or around curves. If you pass up that "extra" drink in favor of a clear head and steady hands. If you know that extra heavy traffic calls for extra driving caution on your part. IF YOU DETERMINE TO DRIVE CAREFULLY... COURTEOUSLY... COMPLETELY ALERT

Will you help us prove the experts wrong? They won't mind. In fact, this is written with the hope that it will help to save lives—maybe your life. We want you to come back.

PENNSYLVANIA WILL PUNISH TRAFFIC VIOLATORS TO THE FULL EXTENT OF THE LAW IF AT FAULT IN A TRAFFIC ACCIDENT YOU FACE LOSS OF YOUR DRIVING PRIVILEGES... HEAVY FINES... JAIL SENTENCES.

AMVET Auxiliary Hears Report, Discusses Plans

A report of the recent Amvet convention in Wilkes-Barre was heard last night by the Ladies Auxiliary of the Amvets when Miss Anna Levengood, delegate, gave a report.

Mrs. Levengood told of the convention's program for the widows and children of veterans.

Plans for monthly family movies, suppers, card parties and refreshments to be served following each meeting were discussed last night.

It was announced that the next meeting will be held Sept. 4, when election of officers will take place. The deadline for women to be classed as charter members is Oct. 1.

All wives, daughters, sisters and mothers of veterans are invited to attend the meetings and join the anticipated activities.

Charter members to date are Mrs. Bertha Richert, Miss Peggy Sevast, Mrs. Joyce Rudick, Mrs. Helen Wentzel, Mrs. George Rhoads, Mrs. Lincoln Buchanan, Mrs. Jennie Beebe, Miss Mae Whelan, Mrs. Pauline Tonkovich and Mrs. Jean Gabriel.

Lederach-MacMullen Nuptial Rites Announced

Announced recently was the marriage of Miss Shirley L. Lederach, daughter of Mr. and Mrs. Paul E. Lederach, Lederach, and Mr. Charles W. MacMullen Jr., son of Mr. and Mrs. Charles MacMullen, Center Square, in the Heidelberg Reformed church, Schenckville.

The Rev. Darwin X. Sass, Schenckville, performed the double ring ceremony.

Bridal music was presented by Mrs. Robert Whitney, organist, and Miss Evelyn Metz, Souderton, soloist.

Given in marriage by her father, the bride had Miss Lois Miles, cousin, as maid of honor, and bridesmaids chosen were Misses Laura MacMullen and Gladys Kulp, Telford.

Best man was Edward Moyer, Harleysville, and ushers were Paul Lederach Jr., brother of the bride, and Charles Baker, brother-in-law of the bridegroom.

Following the wedding ceremony a reception was held on the lawn at the home of the bride's parents for 75 guests.

The couple left on a honeymoon trip through the South.

Mrs. MacMullen is a graduate of Souderton High school, and Mr. MacMullen is a graduate of Lansdale High school and will return to Rider's college this fall.

WEDDING ANNIVERSARIES

Today
Mr. and Mrs. William Evans, 10 South Hanover street, three years.

Mr. and Mrs. Carl Hilborn, Linfield, three years.

Recently
Mr. and Mrs. Paul Hilborn, Rattlesnake Hill, three years.

Birdsboro Scene Of Nuptial Rites

Miss Mary Stoudt, daughter of Mr. and Mrs. Raymond Stoudt, Birdsboro RD 1, became the bride of Mr. G. Arthur Knauer, son of Mr. and Mrs. Daniel S. Knauer, Pottstown RD 1, recently in St. Marks Lutheran church, Birdsboro.

The altar was banked with white gladioli, tall white cathedral tapers and palms. The double ring ceremony was performed by the Rev. Charles Fisher.

A recital of bridal music was presented by Miss Ruth Miller, organist, and Miss Mary Clingan, soloist.

Given in marriage by her father, the bride was gown in white paracheute silk. The gown had a basque bodice and featured a high neckline with a ruffled neck yoke. A ruffled peplum fell over the full skirt which formed a short train.

Her fingertip veil fell from a tiara of seed pearls and she carried a bouquet of white roses attached to a white Bible with ribbon markers tied with ivy and baby's breath.

The only jewelry worn by the bride was three strands of pearls, a gift of the bridegroom.

Matron of honor was Mrs. Dorothy Maloney, sister of the bride. She wore a blue gown of marquisette with a full skirt and puffed sleeves. Her matching veil was trimmed with flowers matching the hand bouquet she carried.

Mr. Orland Esposito, New York, acted as best man. He and the bridegroom served in the Marine Corps together.

Ushers chosen were Messrs. Raymond Stauffer, cousin of the bridegroom and Donald Gaut.

Mrs. Stoudt, mother of the bride, wore a black dress with matching accessories and Mrs. Knauer, mother of the bridegroom, wore a black and white dress with black accessories. Both wore a gardenia corsage.

A reception at the home of the bride followed the wedding ceremony.

The couple left on a honeymoon trip to Niagara Falls and Canada. For traveling, Mrs. Knauer wore a light gray gabardine suit, black satin hat and black accessories, and a corsage of white roses from her brideal bouquet.

Guests attended from Coatesville, Lehighton, New York, Birdsboro and Pottsville.

The bride is a graduate of North Coventry High school and was secretary at the North Coventry High school until recently. The bridegroom was graduated from North Coventry High school and served over three years in the U. S. Marine Corps. He attended Perkiomen Prep, Drexel Institute and is now attending Eastern Baptist Seminary, Philadelphia.

Security Board Post Offered to A. M. Hill

WASHINGTON, Aug. 26 (P)—Arthur M. Hill, Charleston, W. Va., bus line executive, today was offered the post of chairman of the national security resources board under the unified armed forces.

This became known a few hours after Secretary of the Navy Forrestal disclosed that Hill had been asked to take an important post within the new set-up which Forrestal will head as secretary of defense.

Hill called at the White House for a conference with President Truman, Forrestal and Secretary of War Royall.

Hill, 55, is chairman of the board of the Atlantic Greyhound corporation, operating a bus line along the eastern seaboard.

During the war, he was chairman of the secretary of the Navy's public works committee, director of the transportation branch in the secretary's office, and chairman of a Navy rubber survey committee.

British Tourists Searched By Customs Officials

SOUTHAMPTON, England, Aug. 26 (P)—British customs officials, invoking the government's new currency and jewelry regulations on travelers, methodically searched the luggage of 2437 persons boarding the Queen Elizabeth today and shattered precedent by searching several women passengers.

The strict examinations were the result of an order issued the past week by the "dollar conserving" government which forbade travelers from taking even their personal jewelry out of Great Britain without export licenses and limited them to five pounds (\$20) in British money and 10 pounds (\$40) in other currency.

Mississippi Senator Failed to File Will

POPLARVILLE, Miss., Aug. 26 (P)—Sen. Theodore G. Bilbo (D-Miss) who died in New Orleans Aug. 21, apparently failed to leave a will, deputy chancery clerk H. K. Rouse said here today.

Rouse said that Chancellor Lester Clark of Hattiesburg would be asked to appoint an administrator for the estate. It was asserted, however, that final action on naming an administrator would await the arrival of Forrest Jackson, attorney for the late senator.

A conference was held yesterday with the chancery clerk, N. C. Rouse by Lt. Col. Theo G. Bilbo Jr. and Mrs. Jessie Bilbo Smith, children of the senator.

Romans had a set ritual of applause expressing various degrees of approval—snapping the fingers, clapping and waving the flap of the toga or a handkerchief.

Flagg's Defeat Coffee Cup Foe By 3-2 Score to Gain Playoffs

700 FANS SEE MILLARD HURL TWO-HIT GAME

Amvets Meet Flagg's In Semi-Finals of Playoffs Tonight

Two pitchers made a bid for their first no-hit, no-run game on Franklin field last night, but in the fifth inning, both hurlers saw their hopes to enter the Pottstown Hall of Fame fade when they were touched for base hits.

Bob Millard, little fastball pitcher for Flagg's, and Leon Prutzman, a pitcher's duel which kept some 700 fans thrilled from start to finish as Flagg's gained a playoff berth by handing the Coffee Cup a 3-2 defeat.

Flagg's won the toss with Doeher's last night and elected to take third place. The Amvets will now meet Flagg's tonight on Franklin field in the first game of the three game semi-final series. Game time is slated for 8 o'clock.

The first four innings saw the two hurlers pitch hitless ball, but Prutzman was constantly in trouble when Flagg's put a runner on the base paths in every inning. Millard was in trouble in the first inning but settled down and retired 13 men in order before Vic Prutzman, brother of the pitcher, beat out an infield hit which glanced off Harry Penrose's glove at third base in the bottom of the fifth.

Millard was masterful throughout the seven inning ball game and was only touched for two singles. Besides Prutzman's infield safety, Lou Vandervise blasted a single into right center in the sixth inning for the only other hit collected off Millard. Vandervise's single, however, drove home the Coffee Cup's first run and spoiled Millard's hopes for a shutout.

Flagg's touched Prutzman for four solid base hits, two of them coming in the fifth inning when three runs denied the plate.

After the first batter grounded out, Millard worked Prutzman for a base on balls and moved around to third when Merrill Hook collected the first hit of the game—a one-bagger into center field. Red Hartzog sent a slow bouncer to third and Vandervise's throw to home trying for Millard was too late and Flagg's held a 1-0 lead.

Charley Hertzog then lined one out of Vandervise's reach over third base for a base hit and Hook romped home with the second run. Lou Millard grounded to shortstop and was thrown out at first, but Hadley beat Nick Colosanti's throw to home, scoring the third run and Hertzog was thrown out at third trying to move all the way around from first.

Millard lost his control in the Coffee Cup half of the sixth inning and helped lose himself a shutout. He walked Leon Prutzman to start the inning and then beamed Ace Bianchini with a fast ball.

Putting two runners on base, Vandervise then came through with his line single to right center, sending Prutzman plateward. Millard cut the throw off at the pitching mound and relayed it to Merrill Mauger who couldn't hold it, allowing the pitcher to score.

Bianchini then fanned the second run when Al Luppachino was returned on a ground ball hit to shortstop.

Rain Halls Playoffs With Norco Leading

Rain stepped in last night and halted the French Creek Valley league's semi-final tilt between Norco and Pikeland just as it seemed the Aces would walk away with their second straight win. Pikeland was on the short end of a 3-1 score in the fifth inning when the game was called.

The first game played between the two teams, which Norco won, 5-4, has been ruled off the record books and will have to be replayed. Officials announced the game was ruled off because of an argument over a Norco pitcher.

In another league playoff tilt last night, Kumberton bested Pughtown by a 2-1 score at Pughtown.

FALCONS START PRACTICE UNDER NEW GRID COACH

25 Candidates Answer Call for Football At West Pottsgrove

Twenty-five boys answered Coach Bill Gohean's first call for football at West Pottsgrove Monday morning, but the new mentor of the Falcons said he would like to have more candidates before the week was out.

The coach, who makes his home in Phoenixville, announced that he would use the "T" formation at West Pottsgrove this year, hoping to get better results than did Guy R. Owens, coach of the Falcons the past year.

Gohean got the candidates started on hard work from the start, and will have them working hard all during the Fall practice, until the first game comes late next month.

Monday morning saw the candidates put through grass drills with the line practicing blocking and tackling. The backfield candidates were working on punting, and late morning found the entire squad practicing kickoffs.

A few more fellows reported yesterday, but the coach expressed his desire for more candidates, especially sophomore Gohean stated he would like to have about 35-40 boys working out every day if he is to have a good team this year.

Passing was stressed at yesterday's practice and more blocking and tackling practice was held. Backfield men again went through punting drills and kickoffs were again practiced.

Gohean announced that practices would be held every morning from 9-11:30 o'clock until school gets underway next week. Workouts will then be held every day after school.

The Falcons will open the season with West Reading High school Sept. 27 at West Reading.

Cardinals Nip Boyertown in Exhibition, 1-0

Some 200 fans were on hand last night to watch the Pottstown Cardinals take out a 1-0 victory over the Boyertown All-Stars in a game played on Fisher field.

In the sixth inning, Tuffy High walked to start things off and scored a moment later when Augie Krause doubled into left center.

Don Nagle went the route for Pottstown and limited Boyertown to two hits over the seven-inning rout. The Cardinals touched Ken Eddy for six safeties.

Pittsburgh Pounds Brooklyn Foe For Easy 16-3 Victory

BROOKLYN, Aug. 26 (AP)—Dan Bankhead, Negro right-hander, made a spectacular major league debut today—but as a batter and not as a pitcher.

The 26-year-old Birmingham, Ala., native also joined the Brooklyn Dodgers yesterday after his purchase from the Memphis club of the Negro American league, was treated rather roughly during his brief relief stint against the Pittsburgh Pirates, who maltreated three Dodger hurlers for 20 hits and a 16-3 victory.

Bankhead was soundly whacked for ten hits and eight runs in the three and a third innings he worked on the mound, but in his first appearance at the plate, he whacked a home run with a mate aboard.

BOSTON DIVIDES DOUBLEHEADER WITH DETROIT

Tigers Take Second Place After Winning Opener But Fall Back Into Third

DETROIT, Aug. 26 (AP)—Tex Hugheson's strong right arm and the big bats of Ted Williams and Wally Moses kept the Boston Red Sox hanging narrowly onto second place in the American league today after drinking a double hit with third place Detroit.

The Sox fell into third momentarily by losing the opener, 12 to 1, to young Art Houtteman's second straight five-hit pitching performance but bounced back to take the nightcap with ease, 9 to 1.

Hugheson allowed the Tigers just four hits in the second game as Moses collected four straight hits and scored four runs and Williams knocked in five with his 26th homer, a double and a fly ball.

One of Moses' hits was his second home run of the year and Roy Cullenbine of the Tigers belted two four-baggers, one in each game.

Ladies Aid Group Adds Two Names To Altar Committee

Two members names were added to the altar committee last night at the meeting of the Ladies Aid society of St. Peter's Lutheran church, Stowe in the recreation room of the church.

Members named were Mrs. Dan Harp and Mrs. Warren Bechtel. It was announced that the next meeting will be held Sept. 30 at which time Mrs. Lester Verger and Mrs. Elam Ackerman will be hostesses.

Mrs. J. George Sotter, president, presided over the meeting.

Refreshments were served during the social hour by Mrs. Lela Gaugler, hostess.

Roversford Couple

Announce Engagement

Mr. and Mrs. Horace Wain, Roversford RD 1, announce the engagement of their daughter, Edith Marie, to Mr. Arthur Krasley, son of Mr. and Mrs. Oliver Krasley, Green street, Roversford.

Miss Wain was graduated from the Roversford High school in 1944 and is employed by the E-Cut Knitting Mills, Roversford.

Mr. Krasley was graduated from the Roversford High school in 1942 and is attending the Quaker City School of Aeronautics, Philadelphia.

No date has been set for the wedding.

Troop 7 Boy Scouts

Hold Outdoor Session

Boy Scouts of Troop 7, Seales Methodist church, held a doggie roast at the home of their scoutmaster, Raymond Suchter, near Eaglesville Monday night.

The evening's program was composed of song singing and putting on stunts. The troop planned to camp this coming weekend at the scout cabin near Harmonyville.

New Hanover Grange

Plans Dress Contest

A dress contest, sponsored by the home economics committee, will feature the regular session of New Hanover grange members tonight at 8:15 o'clock. The Sanatoga grange will attend and be in charge of the literary program for the evening.

Dresses will be judged on design and suitability for church, club or afternoon wear. Mrs. Charles Rankin will be in charge of judging. Grange Master J. Roger Moyer will preside over the group's business affairs.

CHECK-UP VS. CHECK-OUT

Yes, it is rather a grim prospect—the suggestion that you, or some member of your household, may be "laid up" indefinitely by a lingering illness. But the best way to avoid that contingency is to watch early symptoms and promptly and decisively to catch them. Right now, if illness threatens, consult a Doctor. And may we remind you that this pharmacy is at your service in carefully compounding the Doctor's prescriptions?

Guest, Grimes to Attend National Legion Parley

Adjutant Ralph Guest, 605 North Evans street, and a retiring Commander Clarence H. Grimes, 548 Chestnut street, of the George A. Amole American Legion Post 47 will leave by train this morning to attend the 29th national convention of the Legion in New York City.

They were chosen as delegates from the Ninth district of the Department of Pennsylvania at the organization's state convention held earlier this month in Pottstown.

The Ninth district comprises Montgomery and Bucks counties, and will send a total of 12 delegates.

Guest and Grimes plan to attend the entire convention, which begins tomorrow and ends Sunday.

Two Pottstown Residents To Share in Estate

Two Pottstown residents are among 12 cousins who will share the \$35,500 estate of Paul B. Ash, who died June 11 in New York. It was reported yesterday. They were listed as Forrest D. and Joseph Ash.

The legatees, children of the late Arthur G. Ash, Trappe, include Laura, Katie, Nellie and Bertha Ash, all of Norristown, and Louisa, Collegeville. The other cousins were from Media, Philadelphia and Akron, Ohio.

Mrs. Roosevelt Admits Being 'Grieved' By Farley's Accusation of Ex-President

NEW YORK, Aug. 26 (P)—Mrs. Eleanor Roosevelt said today she had been "deeply grieved" by James A. Farley's recent articles about the late President and denied having said that the former postmaster general was not her husband's "social equal."

Mrs. Roosevelt, writing in her column and answer column in the Ladies Home Journal, said of Farley's series titled "Why I Broke with Roosevelt," which was published in Collier's magazine:

"I am deeply grieved to find that Mr. Farley was not the person I thought him; or perhaps it would be better to say that I am grieved to find that Mr. Farley allowed himself to be made the kind of personality that Mr. Trohan, of the Chicago Tribune, would inevitably make him."

(Although Mrs. Roosevelt did not further identify Trohan, she apparently referred to Walter Trohan of the Chicago Tribune Washington staff.)

(Trohan said in Washington that Mrs. Roosevelt should have waited, I think, until she could read the whole book. I am not making anybody any kind of person. At Farley's order I am trying to gather his material together. He has okayed every word of the book which comes from the words he dictated at the moment. If she objects, as I assume she does, to the delineation of her husband, that comes from his (Mr. Roosevelt's) own words which were taken by Farley at his conferences with the President.)

Farley had written in his magazine articles, a condensation of the book to be published in February, that his relationship with Mr. Roosevelt was "basically political and seldom

social." He wrote: "Mrs. Roosevelt once said, 'Franklin finds it hard to relax with people who aren't his social equal.'"

To this, the former first lady responded.

"Mr. Farley has a remarkable memory. I am quite sure the remark which he quotes, or which Mr. Trohan has put in quotes, could never have been made by me, since I never have had such thoughts. I never occurred to me that Mr. and Mrs. Farley felt themselves in

any group different from that which we were in."

Mrs. Roosevelt said people with "similar interests and beliefs" may find it "easier to relax."

"Unwittingly in some way, I, who was responsible for purely society matters in the White House, seem to have hurt both Mr. and Mrs. Farley. For that I am deeply sorry, but I feel I never treated them any differently from any other member of the Cabinet."

"From my point of view, being a member of the Cabinet meant that you carried heavy administrative burdens and were part of the whole official family. The position would not have been yours

unless you were looked upon as a man of parts."

"Mr. Farley failed to understand this. His tremendous emphasis on those years when the really important things were the new policies on social questions of the day shows that Mr. Farley thought so little of those objectives that he did not even think them worth mentioning in these first articles."

"I have always liked and admired Mr. Farley and his special gifts and capacities. I still hope that when Mr. Trohan is through creating the Jim Farley of these articles I can find again the real Jim Farley whom one could not help liking and admiring."
